Warwick Peter-Budge
Principal

Hello Parents and Carers,
Students and classes across the school have been earning Kitchen Kudos tickets in impressive numbers, through demonstration of our values – respect, excellence, courage, and pride. These efforts of our students to be demonstrating positive behaviours are paying off for individual students, for classes, and even for the whole school!

Several students have recently achieved the ultimate individual achievement level of our Kitchen Kudos positive recognition system, reaching 'Master Chef' status after earning 100 Kitchen Kudos over the course of the year!

This is a tremendous achievement that is very difficult to achieve, hence only a relatively small number of students across our whole school get all the way through our five Chef levels in a year.

Many classes across the school this term have collectively reached the 200 Kitchen Kudos in a term milestone, thus earning their 'Michelin Star' status and unlocking a whole class reward! It has been great to see our students' motivation to work together with their classmates to earn something fun as a class through demonstrating positive behaviours.

As well as achievements at the individual student and class levels, we have also reached our whole school term four goal of 4000 Kitchen Kudos, which will see the whole school get to have a special dress up day in week nine.

Last Friday, our year six students had a very successful 'Market Day' – the culmination of several weeks of preparing their products, calculating price points, developing advertising, etc. As well as the 'real world' learning that this project provided students, there was also a very tangible benefit in the end through the generation of over $2000 at last Friday's event! This income will go towards celebrating the end of primary school for our year six students, including contributing to their graduation event.

Despite only a few weeks left in the 2026 school year, there are several events coming up to celebrate / wrap up this year, as well as prepare for next year. Orientation days for several local secondary schools are happening over the coming weeks – important opportunities for our year six students to become more familiar and comfortable with their impending move into secondary school. Graduation events are coming up for students that are about to complete an important period of their schooling and transition into the next stage of their school journey – our youngest students are about to complete preschool and thus transition into the primary school, whilst our year six students are about to finish primary school and move into secondary school. Our 2026 Awards Ceremony occurs next Friday (4th December) – a great opportunity to celebrate excellence, which we strive for at Bakewell in a range of ways. The whole school orientation event in week 10 provides opportunity for students to visit their 2027 classroom, meet their 2027 teacher, and mingle with their 2027 classmates – an important step in helping students feel comfortable about their soon to be new class. Class parties also happen in week ten, celebrating the end of a busy and productive year for all classes.
Thank you for your support in helping your child be prepared for these various end of year activities.

Warwick Peter-Budge
Principal

Student Leadership at Bakewell Primary School

NTLC Expo

What a fantastic journey our 2026 NTLC students have had at Bakewell! Throughout the year, our Learning Commissioners worked through an inquiry cycle to identify areas for improvement, collect and analyse data, trial their ideas, review the results and make further adjustments.

As part of their focus, the NTLC gathered feedback about our play spaces and consulted with classes about what was working well and what could be improved. After reviewing the feedback, all play spaces were opened to students, providing greater choice and more opportunities to play, connect and enjoy their break times.

Their hard work culminated in the NTLC Expo, where Learning Commissioners from schools across Darwin and the Top End came together to reflect, share and celebrate their learning. Our students proudly presented their journey, learned about initiatives developed by other schools and gathered ideas for the future.

We are incredibly proud of the dedication our NTLC students have shown throughout the year. Alongside developing their project, they presented at assemblies, supported whole school events, assisted students in the Transition area, Library and Bakewell Breakroom, and facilitated lunchtime clubs.

As we celebrate the achievements of our 2026 team, we are also looking forward to introducing our 2027 NTLC students in Week 10!

School Wide Positive Behaviour Support (SWPBS)

Kitchen Kudos: Celebrating Our 2026 Journey

Guess what? We reached our whole school goal of 4,000 Kitchen Kudos!

The winning theme for our celebration will be announced this Friday, with our reward day taking place on Thursday 3 December.

Kitchen Kudos has now wrapped up for the year, and we are incredibly proud of our students. Every ticket awarded represents a moment when a student demonstrated our RECiPe for Success values of Respect, Excellence, Courage or Pride.

Individual Recognition
We have thoroughly enjoyed celebrating students as they progressed through our Chef Levels, from Junior Chef through to Apprentice Chef, Sous Chef, Head Chef and Master Chef. Each milestone reflects the positive choices and consistent effort demonstrated by our students.

Next Thursday, our Master Chefs will enjoy a special morning tea with Mr Peter-Budge as part of their reward for reaching the highest Chef Level. This is a wonderful opportunity to recognise and celebrate their outstanding achievement!

Class Recognition
Classes worked together to earn Michelin Stars, with some achieving between one and four stars throughout the year! Students selected rewards from the Michelin Menu, including class parties, shared lunches and staff versus class games. These celebrations recognised the teamwork and collective effort shown by each class.

Whole School Recognition
In Term 3, students reached our whole school target and celebrated with a Free Dress Day. This term, things became a little crazy, with students voting between Crazy Socks, Crazy Hair or Crazy Accessories. We cannot wait to announce the winning option this Friday!

Looking Ahead
Our SWPB-IS team will review the Kitchen Kudos data and targets from this year. This will help ensure our 2027 targets remain meaningful, achievable and aligned with the number of tickets awarded across the school.

Congratulations, Bakewell! What a fantastic way to finish our Kitchen Kudos journey for 2026.

SCHOOL NEWS

3x3 Basketball

In week 6 our awesome students attended the 3x3 basketball excursion. Our girls and boys played hard, showed great sportsmanship and, most importantly, had fun. We are proud of their effort, teamwork and determination, supporting one another and representing Bakewell with pride. Thank you to School Sport for organising the event and making these opportunities possible for our students.

Swimming Fun!!

Growing Great Readers

Mrs Poppy's Reading Tip

Let your child be the storyteller tonight!
After you read a page together, close the book and ask them to retell what happened in their own words, or to imagine a different ending, it builds comprehension, confidence and a real love of stories

Mrs Poppy Yayakos is a teacher, published children's author and literacy advocate working with communities to increase access to literature and positive engagement with reading. Learn more at poppyyayakos.com

Reading every day helps children build vocabulary, understand what they read and become better writers. It also builds focus and confidence across all areas of learning.

Every Child an Author

Every child has a story worth sharing!
Children aged 12 and under are invited to submit original stories of up to 500 words for the chance to become published authors!
Selected stories will feature in an annual collection, available for families to purchase at printing cost.
Submissions close 30 June each year.
Visit https://poppyyayakos.com/every-child-an-author for more details.

Could your child be chosen?

ALL STAR SPORTS
FUN.
ACTIVE.
ENGAGING.
PROFESSIONAL SPORTS PROGRAMS
Keeping Kids Active Through Sport
At All Star Sports, we deliver exciting, professionally run sports programs designed to keep children active, engaged and having fun. Led by a qualified PE teacher, our sessions promote teamwork, confidence and participation while creating positive experiences that every child can enjoy.
EVERY CHILD. EVERY ABILITY. EVERYONE INCLUDED.
OUR PROGRAMS
SOCCER STARS
Develop dribbling, passing, shooting and teamwork through exciting skill-based activities, fun challenges and mini matches suitable for all abilities.
BASKETBALL BLAST
Build confidence in basketball fundamentals including dribbling, passing and shooting skills through exciting challenges and action-packed team games.
FOOTY FRENZY
Learn the fundamentals of kicking, handballing and marking before putting your skills into action with fun, modified AFL games.
CRICKET CHALLENGE
Learn the fundamentals of batting, bowling and fielding through exciting skill-based activities, fun challenges and modified cricket games.
DODGEBALL BATTLE
Practise throwing, dodging and quick reactions through exciting dodgeball activities, fun challenges and action-packed team games.
MINI OLYMPICS
Compete in exciting relay races, obstacle courses and team challenges that encourage participation, teamwork and plenty of laughs.
PE GAMES CHALLENGE
Experience classic PE favourites like Capture the Flag, Rob the Nest, Octopus and more. These fun, inclusive games keep every child active, engaged and involved, whether they love sport or simply love to play.

WHY CHOOSE ALL STAR SPORTS?
Qualified PE Teacher
Learn from a certified professional.
All Equipment Supplied
You don't need to provide a thing.
Setup & Packup Included
We handle everything - start to finish.
Inclusive for All Abilities
Every child gets involved and has fun.
Flexible 60 or 90-Minute Sessions
Choose the session that suits your group.
Indoor & Outdoor Options
We adapt to your space and weather.
Tailored To Your Group
Programs customised to suit your ages and numbers.
SESSION DETAILS
FLEXIBLE SESSION OPTIONS
Choose from 60-minute or 90-minute large group sessions.
GROUP SIZES
60-minute sessions: for up to 25 students.
90-minute sessions: designed for 25+ students, larger groups or mixed aged groups, with the group split into two engaging 45-minute sessions.
Our goal is simple: to deliver fun, engaging and professionally run sports sessions while we handle everything from equipment to setup and pack down, making it an easy, hassle-free experience for your team.
BENEFITS FOR KIDS
STAY ACTIVE & HEALTHY
Builds fitness, coordination and healthy habits.
BUILDS CONFIDENCE
Encourages kids to try new things, challenge themselves and celebrate their achievements.
TEAMWORK & FRIENDSHIPS
Develops social skills and stronger relationships.
DEVELOPS SKILLS
Improves movement, coordination and fundamental skills.
THEY HAVE FUN!
Memories they'll love!
