Dear Parents & Carers,

Last term I wrote a newsletter article about the constant displays of 'kindness' at Bakewell Primary School and the fact that our students and school community show this quality every day and in everything they do.

Last week, I informed our school community and students that one of precious students had passed away. In such a difficult time everyone in our school community showed kindness and also respect. Our strong school culture enabled us to support each other and share stories that made us both laugh and cry. We remembered our student and friend with love and kindness.

Miss Annette (our former School Counsellor) returned to Bakewell on Friday assist us in supporting students and I would like to acknowledge her support and thank her.

Department of Education School Counsellors have also been at school to support our students and we will ensure that any student who needs support will be catered for. Please do not hesitate to contact myself, your child's teacher or the front office to request support.

We are now half way through Term 2 and we will continue to deliver exceptional learning experiences that cater for the whole student both academically and socially.

Over the past two weeks our Year 3 and 5 students have completed NAPLAN Online. I would like to congratulate every student who participated. They used their skills and knowledge to complete the tests to the best of their ability and everyone at Bakewell is very proud of their attitudes and determination.

Our students have a diverse range of extra learning experiences to participate in over the coming weeks.

From the Board

Our Board met on 15 May and we would like to take this opportunity to keep our School Community up to date with our discussions.

A Sub-Committee has been formed to ensure the 1:1 iPad Learning Program is sustainable and also supported by our parents.

We had further updates available to us on our options and implications of buying/leasing a bus. We will continue to provide updates on this.

Earlier in the year we identified the need for further governance training for our Members. NT COGSO attended our recent meeting and gave a presentation on this for us.

The next Board Meeting will be held on **Wednesday, 19 June (Week 9)**. If any parent/carer has any recommendations or suggestions please do not hesitate to contact the Board at chairperson.bakewell@ntschoools.net
