

Leadership Note

Dear Parents & Carers,

Welcome to Week 9, Term 2.

As communicated previously Mr Nyhuis is currently on leave.

This week and next we will continue to maintain our high expectations of teaching and learning as we come to the end of Term 2. As a high functioning and performing school we are committed to excellence and student learning and ensuring that academic learning time is maximised. This is why we place such an emphasis on school attendance. Students need to be at school and learning in order to achieve their potential – a point of reference in our school mission statement.

For this reason we make every effort to continue with normal and regular school programmes even when a school term is coming to an end. The expectations on our teachers and classes is very much a 'business as usual' approach even in the last two weeks.

Of course there also has to be exceptions – and we need to be able to stop on occasions and have some 'fun'. As a result we are very excited to finish up and celebrate Semester 1 2017 with our Bakewell Fair afternoon from 12.30 – 2.00pm on Friday 23 June. This is another opportunity for our community to come together and celebrate life at Bakewell.

All teachers and leadership have been working diligently on Semester 1 Student Reports. This is another avenue to communicate with families on student's academic and social progress. Student Reports will go home with students on Wednesday 21 June, Week 10.

A gentle reminder please to ensure your child/children are attending school every day in correct uniform with lunch and recess provided, and hopefully in a manner that provides them with the opportunity to be successful learners and achieve their full potential.

Many thanks for another fantastic semester. Bakewell continues to be an exciting place to work and learn. We wish all of our Bakewell families the best midyear break and we look forward to seeing all our students safely back at school on Tuesday 25 July.

Have a great week!

Bakewell Primary Attendance Term 2 Weeks 7 & 8

Bakewell Primary School Attendance

Bakewell's target for 2017 is to maintain a student attendance average of 95% or above for the year. Department of Education (DoE) Attendance strategy states 'Every Child, Every Day.'

Please remember to notify the school when your child is absent. This may be done by phoning the front office on 8997 7400 or emailing, admin.bakewell@ntschoools.net or the class teacher or alternately you can send a note with your child on their return to school.

Emailing Newsletter

The Newsletter is distributed electronically. Please check your email and contact the Front Office on admin1.office@ntschoools.net or 8997 7400 if you do not receive it.

School Counselling Service

The School Counsellor provides expertise and support to address social, emotional and behavioural problems students might experience which may impact on school engagement and learning outcomes.

If you identify that your child needs extra wellbeing support please complete the online referral form <https://form.jotform.co/BakewellPrimary/SchoolCounselling-Referralform>

Once the referral is received:

- School Counsellor will make contact with the referrer (Pastoral Care teacher, Parent or External Agency) to gain further information about the wellbeing needs of the student.
- School Counsellor will contact the student's parent(s) to arrange initial assessment meeting (depending on the needs of the student the pastoral care teacher may be required to attend this meeting). An initial assessment meeting is an opportunity for the parent to discuss the student's needs and review the student's wellbeing history. This assessment provides an opportunity to explain the counselling process, including confidentiality and duty of care, schedule appointments and answer any questions from either student, teachers or parents.
- Individual Counselling sessions are scheduled for the student in consultation with the parent and pastoral care teacher.

If you would like to talk to the School Counsellor directly you can contact Cate Sherlock on 08 89977400 or caitlin.sherlock@ntschoools.net

Woolworths Earn and Learn Commences 26 July 2017

It's simple to participate. When families shop at Woolworths they can collect stickers from the checkout operator - one sticker for every \$10.00 spent - and place them on the sticker cards which can be obtained from the check-out. Once the sticker card is completed it can be placed in the collection box in our Front Office or the Bakewell box at Woolworths Bakewell. We encourage families who shop at Woolworths to please support this. The more completed sticker cards we receive the more resources we can order!

Please save and bring all your Woolworths Earn and Learn sticker cards to the school.
