Dear Parents/Carers,

Another term done and dusted! It has been a great one, filled with exciting adventures for our students and wonderful learning opportunities. I know that this break will be welcomed by families for the chance to reconnect (not to mention sleep in, not having to worry about packing lunchboxes and no homework) and I hope that you all get the chance to enjoy time together. The September break is a great opportunity to recharge those batteries ready for Term 4.

We have received some exciting news from Apple this week.

Please view the official announcement on the following page.

Thank you to the years of hard work put in by the staff and the School Board to make this a reality.

A special thankyou to Lucy Ewin and Lana Menadue for driving this innovation to the high levels of success we have reached. Their work in this area has been outstanding.

Our school community can be massively proud of this achievement. We are proud to be able to offer our students innovative ways to learn and to prepare them to be '21<sup>st</sup> Century Learners'.

Yours in education

**Jackie Roberts**  
Principal

## **Bakewell Primary School named Apple Distinguished School**

Palmerston, Northern Territory

September 1st, 2021

Bakewell Primary School is pleased to announce that it has been recognised as an Apple Distinguished School for 2021–2024 for its dedication to improving student outcomes through our 1:1 iPad Learning Program.

Apple Distinguished Schools are centres of innovation, leadership, and educational excellence. They use Apple technology to connect students to the world, fuel creativity, deepen collaboration, and make learning personal.

Digital Leader of Bakewell Primary School, Lucy Ewin says, “The selection of Bakewell Primary School as an Apple Distinguished School highlights our success in creating an innovative and compelling learning environment that engages students and provides tangible evidence of academic achievement.

“Bakewell values learning that motivates and inspires students. Teachers design innovative learning experiences where students can create, communicate and collaborate. Students engage in the Australian Curriculum through a technology rich environment that provides opportunities for personalised learning, fostering curiosity and individualisation where students take ownership of their learning journey. Students are connected to each other and the content while making meaningful connections to the real world.”

Bakewell Primary School is committed to delivering excellence in education through innovation and integrity. With a focus on positive relationships and high expectations, Bakewell promotes a community that is respectful, professional, inclusive and safe. At Bakewell, all students have the opportunity to achieve their potential and leave with dignity, purpose and options.

Orders for the Canteen can be placed online at <https://quickcliq.com.au/>

## School Counsellor News

Hello Bakewell Community,

The weather around town has certainly changes and it appear we have some hot balmy days ahead of us. Today I wanted to reach out about the impact of the weather on our mood and emotions.

Changes in season and weather shifts can have a significant impact on mood and wellbeing. For us in the hot climates, the increase in heat often leads to an increase in irritability and comfotability for children and it's common to see behavioural issues. For children with sensory needs the hotter months can be particularly hard and distracting, if they are feeling sweaty or itchy or overheated throughout the day.

Whilst our brains are programmed to support our bodies to regulate our body temperature, not everyone's bodies are able to do this effectively.

Dehydration is also something to be mindful of as it can also lead to a range of other ailments such as headaches, muscle cramps and an increase in thirst, which can make it hard to learn and play.

We can support children in these hot months by promoting good habits such as;

- Keeping a water bottle on them and reminders to drink and talking to children about how much water to aim for each day and rewarding them for achieving it.
- Promoting 'cool down time' when coming in from playing outside
- Encouraging sun safe behaviours and encouraging playing in the shade
- Having fun with water play when outside – think sprinklers, enjoying the pool
- Quick cold showers during the day
- Encouraging deep breathing (the quickest and easiest way to regulate the body)
- Making some homemade ice cups or frozen fruit cups

I hope you all have a safe and happy holiday break. I look forward to seeing you all in Term 4.

Regards, Chanel Baily, School Counsellor

## Walk-a-Thon

The Bakewell Walk-a-Thon is on again Friday 22 October 2021 at 8.30am.

The Walk-a-Thon provides an enjoyable and energetic activity for the student whilst raising funds for our school.

All students from Transition to Year 6 will be participating in the Walk-a-Thon. The perimeter of Bakewell School will be used as the course which equates to 2 kms.

Your support is greatly appreciated. Parents and families are encouraged to join us for this wonderful community event.

Information and sponsorship forms will be sent home this week.

## School Garden News

**We are busy preparing the garden for the wet season so we are harvesting produce, composting the garden beds, mulching and getting ready to plant plants that will keep the garden healthy during the rain and monsoon weather. The gardening group has been maintaining the garden by harvesting seeds, weeding, clearing and composting.**

You're welcome to come along to the Bakewell Garden Market! Every Friday before and after assembly at the basketball courts.

Opening times 8.05am to 8.25am and 8.55am to 9.10am

Buy fresh, cheap produce straight from the garden!

Library Bags available to purchase from the Front Office—\$12

## AFL Pink Power / Cracker Cup

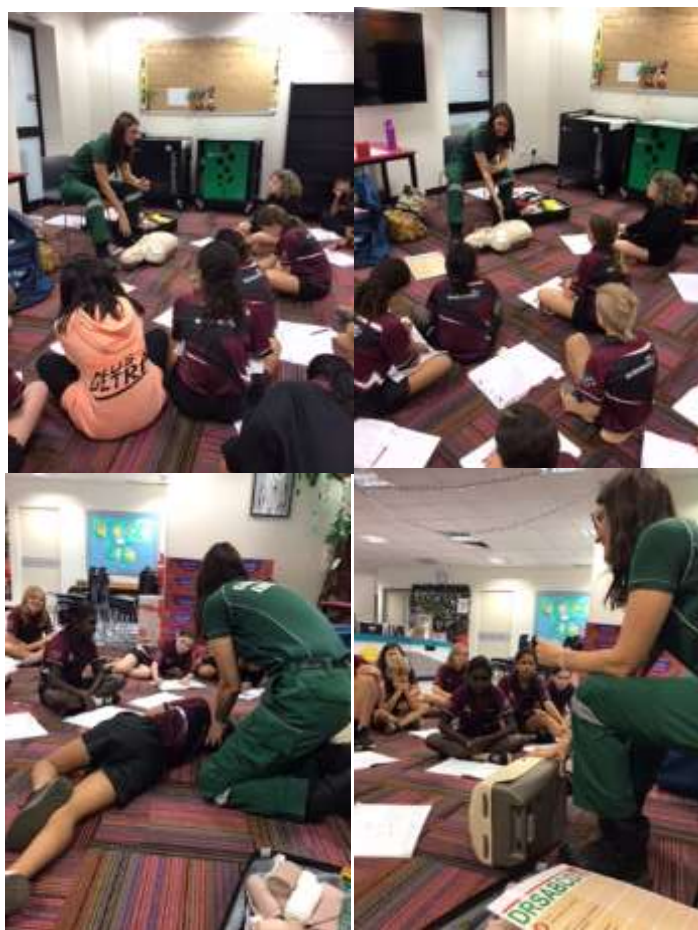

Bakewell students participated in the AFL Cracker Cup and Pink Power recently at Ausbuild Oval.

They did their very best all day and had lots of fun.

Thank you to Ms Game and Mr Beagley.

## Year 5 St John Ambulance Visit

On Tuesday Week 8, Year 5 students were visited by Hayley, from St John's Ambulance.

Hayley taught them about the action plan DRSABCD and how to follow it if they ever came across an injured person. Students were also able to practise CPR using resuscitation dummies.

Following the visit the students are going to use the experience to write an explanation text.

## Year 6 Camp

Year 6 students enjoyed their camp at Adventure Bound Camp Wallaroo. Groups participated in rock climbing, team games, a navigation course, high ropes and even had a turn on the Northern Territory's largest flying fox!

## Year 4 Mayne Dundee Beach School Camp

In Week 8, 4 Mayne travelled to Dundee Beach School for an overnight stay. During their time at Dundee, students were able to spend some time at the beach, participate in various art and sport lessons with students from Dundee and even perform in a Talent Quest! After a good night's rest, 4 Mayne left Dundee and travelled to Darwin to arrive at the MAGNT. Whilst at the museum, students explored the exhibits on display and completed a scavenger hunt. Following their time at MAGNT, the students returned to Bakewell where they got to enjoy a scrumptious lunch before going home.

## Year 2 Museum & Art Gallery of the NT Excursion

## Attendance

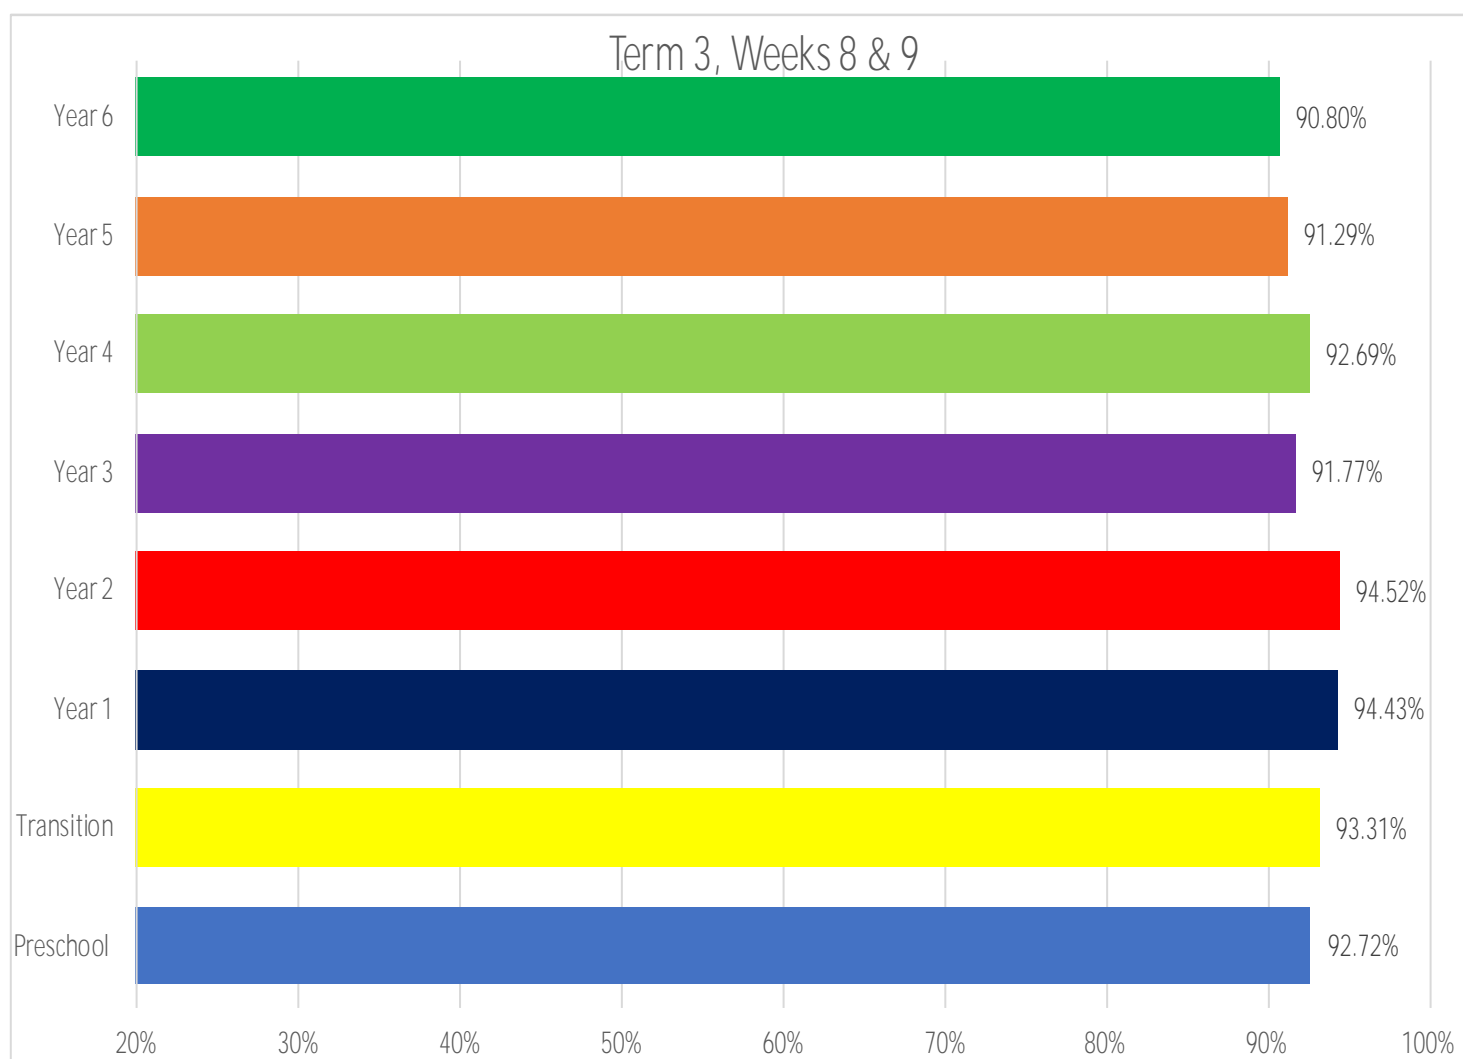

Bakewell's target for 2021 is to maintain a student attendance average of 95% or above for the year. Education NT's Attendance Strategy states **'Every Child/Every Day.'**

Please remember to notify the school when your child is absent. This can be done by completing the form on the website <http://bakewellprimary.nt.edu.au/for-parents/> or by emailing [admin.bakewell@education.nt.gov.au](mailto:admin.bakewell@education.nt.gov.au)

Alternatively, you can contact the school on 8997 7400.

1 or 2 days a week doesn't seem like much but... EVERY DAY MATTERS			
If your child misses...	That equates to...	Which is...	And over 13 years of schooling that is...
1 day every 2 weeks	20 days per year	4 weeks per year	Nearly 1.5 years
1 day per week	40 days per year	8 weeks per year	Over 2.5 years
2 days per week	80 days per year	16 weeks per year	Over 5 years
3 days per week	120 days per year	24 weeks per year	Nearly 8 years

## Attendance Term 3, Weeks 8 & 9

## MERIT AWARDS
