

# Enrolment management plan

## Bakewell Primary School

### As at September 2023

A school that has reached 85% operating capacity must develop an Enrolment management plan as outlined in the Department of Education's (the department) Enrolment management and priority enrolment guidelines.<sup>1</sup> The school has 10 business days to submit its Enrolment management plan to the Senior Director Education for approval. Independent public school plans are approved by the Chief Executive. Approved plans are to be published on the school's website.

Bakewell Primary School recognises its obligation to ensure students living within the priority enrolment area have access to educational services and facilities at this school. Current enrolments are at a level requiring the school to place restrictions on out of priority enrolment area enrolments to ensure that it meets its educational obligations to local students.

This Enrolment management plan is aligned with the Enrolment management and priority enrolment guidelines and outlines the measures that are currently in force at Bakewell Primary School.

### Operational capacity

- The maximum operational capacity of the school is 830 students.
- The current number of enrolments at the school is 766 students.
- This equates to 92% operational capacity.

### Current statistics

Current student numbers by year level are:

## Assessment criteria

Enrolment applications for a student who resides within the priority enrolment area will be accepted. Parents who wish to enrol a child in the school must demonstrate that the student's primary place of residence is within the priority enrolment area.

All enrolment applications for students who reside outside the priority enrolment area will be assessed using the following criteria:

Bakewell Primary School outside PEA criteria:

- siblings of current students at the school

- individual year level and subject level operational capacity
- family support and transport considerations

## Priority enrolment area enrolment contingency

A 5% contingency is reserved for students within the priority enrolment area. Once the operational capacity has reached 95%, all applications for enrolment from students residing outside the priority enrolment area will be declined.

## Enrolment management strategies

The following enrolment management strategies will apply while this Enrolment management plan is in force:

- strict adherence to the priority enrolment area assessment criteria for acceptance of future enrolments
- advise families, in writing, that acceptance of a student into a preschool outside the priority enrolment area does not guarantee acceptance of that student into the school for transition and beyond
- increasing capacity through maximising the use of available infrastructure. Consideration of sharing classroom space with other school facilities should be given, for example, outside school hours care service, dedicated music room, stage or drama area.

## Date to be published

The Enrolment management plan for Bakewell Primary School will be published on 15 September 2023 on the Bakewell Primary School website.

## Review

This Enrolment management plan will remain in force until enrolments fall to 75% or below of operational capacity. The plan is to be reviewed annually or more frequently if required to reflect a significant change in enrolments or the operational capacity of the school.
